Hey guys,

I have been trying to send this from my EPA email for the last 20 minutes and am on the phone with EZTech now about a ticket I put in on Tuesday. Apologies.

We are hoping to send this to Samantha by COB today, so please could comment wherever there are track changes or comments (or anything you want to comment on). We realize we still have some presentation issues to sort out for the actual TR, but hope that this might suffice for the ERC close out to get started.
